

ATHLETE PRE-RACE BRIEFING FOR HAGG LAKE 2018

Thank you for participating in the 36th Annual Hagg Lake Triathlon & Endurance Sports Festival, one of the oldest triathlons in the country! It will be so cool to be part of this historical event.

Our two day festival starts on Saturday with the Olympic and Sprint Triathlon, Duathlon and AquaBike and Sunday is the Off-Road Triathlon, Duathlon & AquaBike, a 5K Trail Run and the INAUGURAL HALF MARATHON TRAIL RUN for those of you who like a little dirt! Since it's a two day event, you have an opportunity to earn a coveted BEAST medal for racing both days and earning double points for the WHY Racing Award Series! Plus you can camp on Friday and Saturday and hang out with us all weekend!

Note: Registration is still open until Wednesday night at midnight - tell all your friends they can still join in the fun! Forward this email with the link to register at <http://whyraceevents.com/event/990/> and maybe you'll inspire them to TRI, DU or RELAY it!

There is a lot of important information in this email for you to review - especially for those of you who are new to the sport or the venue! It's a long email, but we want to answer all your questions so you can enjoy a stress-free race day. So, sit back, relax & review the material - and start to get excited for race day!

EVENT PARKING - There is a \$7 parking fee for access to Hagg Lake. Due to the size of our event and the limited resources at Hagg Lake, it is required that we collect this fee in advance of the event. You can purchase online when you register, at [this link](#), at Packet Pickup on Friday at Fleet Feet or on Saturday/Sunday at the race venue before the event. Purchasing online or at Packet Pickup will definitely minimize the lines/delays on race morning. When you pick up your packet, we will provide you with a parking pass to be displayed on your vehicle dashboard. This will speed up the process and minimize lines upon entry to the park. We will pay the collected fees along with the remaining 60% of the assessed fee to Henry Hagg Lake Park. **Because of this Park Usage Fee, Hagg Lake participants should NOT purchase a parking pass when arriving at Henry Hagg Lake Park. Athletes should drive straight to Boat Ramp C with your parking pass. If you DO NOT pick up your packet & parking pass, you will need to come to the Registration area onsite from 6:00-7:30am at Boat Ramp C and pay for or pickup your parking pass there. Athletes - please share this**

[parking pass link](#) with your spectators also since Hagg Lake would prefer for us to process all parking related to our event. Parking is limited - carpooling is highly recommended! There is absolutely NO PARKING on the road for the safety of all athletes. Hagg Lake has also required NO PARKING in the Sain Creek parking area just prior to Boat Ramp C. **We recommend that no one try to leave Boat Ramp C until all cyclists are off the road.**

CAMPING: Cost - \$15 per tent for one night or \$25 per tent for 2 nights. Hagg Lake has provided athletes the opportunity to camp onsite adjacent to the transition area. Please be respectful, clean up after yourself, remove everything you bring in and assure lights are out at a decent time to assure we are provided this privilege every year. We will direct you to the mock camping area once you arrive onsite. Here are the camping rules that Hagg Lake has provided us and adhering to them will definitely impact our ability to camp here each year.

- **All garbage generated by campers must be packed out.**
- **No open flame in the park except in park camp barbecues.**
- **ABSOLUTELY NO use of the lake in any capacity between 9:00 p.m. and 7:00 a.m. including wading, floating, swimming, canoeing or kayaking.**
- **No amplified sound or bright lights between the hours of 9:00 p.m. and 7:00 a.m. Flashlights, lanterns, and the like are acceptable.**
- **All tents and all campsites must be taken down and properly stowed before 7:00 a.m.**
- **Park bathrooms will be locked however, portable restrooms will be available for campers.**
- **Please attach your Camping Pass outside your tent so rangers can easily see that you have purchased the Camping Pass.**

If you did not purchase a camping pass when you registered, you can purchase at <https://why-racing-events-inc.myshopify.com/products/hagg-lake-camping>

PACKET PICKUP/REGISTRATION will be held on Friday, July 6th, from 10am until 7:00pm at Fleet Feet Portland.

Fleet Feet PDX, 2258 NW Raleigh St, Portland OR 97210

We strongly encourage you to pick up your packet at on Friday to minimize stress and delays on race morning. You can also pickup any last minute race items. There is a 10% Fleet Feet coupon on your Bib so if you need any gear, let's support our partners for all they do for our multi-sport community! **Be sure to have your ID or USAT Membership card with you! IMPORTANT: When you come to packet pickup, please verify that your name, age, gender and event information are correct on the label on your packet.**

Now that our events are sanctioned by USAT **you are required to pick up your own packets. In the event you cannot make it to Packet Pickup, USAT is pioneering a program with us that allows you to have someone else pick up your package, but you must sign and print [this form](#) and send it with them as well as a copy of your ID.** This is an insurance requirement helping to assure that athletes don't give their Bib to someone else to race – an act that would be strictly prohibited for safety reasons.

DAY-OF-RACE PACKET PICKUP/REGISTRATION will be held from 6:00am to 7:30am at Boat Ramp C, Henry Hagg Lake Park, for those of you who can't get to Packet Pickup on Friday.

IN YOUR RACE PACKET - In your packet, you will find your Bib Number (this must be worn on your front during the run and visible when you cross the finish line), your Helmet Number (put on the front of your helmet for multisport athletes), bike number (multisport athletes place on your bike prior to entering the transition to setup), a swim cap (color designates your start wave - always pay close attention for specific wave start announcements as, on occasion, an athlete may have been given an incorrect cap color), a timing chip and ankle strap (must be worn on your ankle throughout the race for multisport only). 5K & Half Marathon Trail Runners will not have a Bike, Helmet Sticker, Swim Cap or Ankle Timing Chip.

TIMING CHIP – Multisport athletes must wear the Chip on your ankle throughout the race. If wearing a wetsuit, there is no problem wearing the Chip under the leg of the wetsuit (be careful when taking off your wetsuit that you do not break the strap and leave your chip inside the wetsuit). All Chips must be returned at the conclusion of the race or you will be charged a \$20 replacement fee. If you pick up your packet on Friday, and for some reason are unable to attend on race day, and/or have failed to return the

timing chip for whatever reason, you must return the Chip and strap. Please write your **first name, last name and the name of the event** the chip was used for on a piece of paper. Fold the paper around the timing chip and mail in a padded envelope to the following address:

START TIME & WHEN TO ARRIVE: Races start at 8am on both days with wave starts for the Triathlons & AquaBike and Mass Starts for the Duathlon. **The 5K & Half Marathon Trail Run will begin at 9am but try and be at the park by 8am at the latest to avoid any delays once the multisport events start.** Transition area will open at 6:00am and we suggest you plan to arrive between 6:00-7:15 at the latest to allow enough time to get situated and organized in the transition area, take a potty break, warmup and get yourself mentally and physically prepared. Pre-race announcements will begin at approximately 7:45am.

START WAVES - Please listen very carefully for your correct wave at the start of your race. **AquaBike, Clydesdales, Athenas, Relay teams and Friends & Family will have their specified waves - do not mistakenly go with your Age Group if you are in these optional divisions.** If you

start in the wrong wave, it will affect your results and everyone else's results too! The Friends & Family wave is for those who want to start specifically with someone else. You must have signed up for this division prior to race day in order to go in this wave – it is a non-competitive wave.

OLYMPIC TRI WAVES - SATURDAY:

- **Wave #2 (8:03AM) –Females 39 and under (PURPLE SWIM CAPS)**

OLYMPIC DUATHLON – Starts SATURDAY at 8:00am

SPRINT DUATHLON – Starts SATURDAY at 8:25am

OFF ROAD TRIATHLON - SUNDAY

Wave #1 (8:00AM) – All Males & Clydesdale (ORANGE SWIM CAPS)

Wave #2 (8:03AM) – All Females, Athena, Relay, AquaBike, Friends & Family (RED SWIM CAPS)

OFF ROAD DUATHLON – Starts Sunday at 8:00am - Time Trial start

5K & HALF MARATHON TRAIL RUN – Starts Sunday at 9:00am (but please be onsite by 8am for the safety of cyclists)

AQUABIKE ATHLETES: This race category is perfect for non-runners and those suffering from an injury. You will complete the specified Swim and Bike distances for the race you have registered for. You will then rack your bike, exit through the Relay team Entrance/Exit (WHERE THERE ARE NO TIMING MATS) and then make your way through the finish line so you can collect your medal, have your timing chip removed and where we can celebrate your accomplishment.

MANDATORY ATHLETE DEBRIEFING - All multisport athletes must have their transition set up and be out of the transition area by 7:45am. Once the timing mats go live just prior to 8am, if you cross them it will start your timing and negatively affect your results. Athletes arriving at the park after 7:30am will not have time to setup and be at their race start by 7:45am, and may not be allowed to participate due to safety issues. We ask all participants to be at their race start location in time for the final athlete debriefing at 7:45am (Duathletes to their start line; triathletes to the beach). On Sunday, all 5K & Half Marathon Trail Runners will receive pre-race instructions at 8:45. Please be onsite by 8am for the safety of the cyclists.

BEFORE ENTERING TRANSITION AREA - For the safety of your bike and equipment, only registered participants are allowed in the transition area. You must have your body marked and your bike number on your bike before you will be allowed into the transition area. When you enter/exit, you will be asked to show your Bib # and body marking and it must match the number on your bike. Please don't get upset at the volunteers for enforcing this rule - it's in place to protect your cool gear. A triathlon transition would be a primo location for bike thieves! Note, when setting up your transition spot, please set up your bike based on your bib number – AquaBike & Relay waves will have their own area. Also be sure to not to take up too much room - we have to fit a lot of triathletes into the area. Set up your bike and then right beside or under your bike, set up a small towel with all your stuff on the towel. A good rule of thumb is not to use any more than 1.5 feet of space beside your bike. Trail Runners can also use the Transition area to store their gear (or store in their vehicle)

When you get your transition spot set up, make a mental note and take a moment to get oriented to the transition area. After you complete your swim, you will enter the transition through the entrance titled "SWIM ENTRANCE". You will leave the transition on your bike, through the exit titled "BIKE EXIT". After your bike, you will re-enter the transition area through the entrance titled "BIKE ENTRANCE". You will leave for your run through the exit titled "RUN EXIT". It is important that you understand the flow of the transition area because timing mats are set-up at these specific exits/entrances to collect your separate event splits. Always be sure to run over the Blue timing mats.

BODY MARKING - When you arrive at the transition on race morning, there will be volunteers to mark your body with markers for safety reasons.

Left Calve - Your event will go on your Left Calve that way you can easily see if you are racing another athlete in the same category.

- "T" for Triathlon
- "D" for Duathlon.
- "AB" for AquaBike

Right Calve - Your age will go on your Right calve - that way you can easily see from behind if an athlete is in your age group and whether you need to speed up! ;) If you are on a Relay Team, we will also place an "R".

Both Arms - Your Bib # will go on both arms.

Body Marking is not required for Trail Runners.

COURSES – Review the website link below for detailed course descriptions and maps. The Olympic Triathlon swim will be a counter-clockwise double loop, and the Sprint Triathlon swim is a single counter-clockwise loop. Buoys should always be on your left. Be aware that the sun will be reflecting off the water during the swim and be prepared for it. The bike courses will be a double loop around the lake for Olympic Triathletes and a single loop for Sprint athletes and each loop has an out and back component on Scoggins Valley Road. The 5k and 10k run courses will take a Right Turn out of the park and are a simple out and back course on the paved road (no trails)...well 'simple' is a relative term! The Off-Road events will utilize the trail system around the lake with the Bike completing a complete Loop around the Lake, the 5K Trail Run completing an out and back on the trails and the Half Marathon Trail Run

also completing one loop around the Lake.

<http://whyracingevents.com/event/990/#course-details>

WATER STATIONS – On Saturday, you will have 2 water station opportunities for the 5K and 5 water station opportunities for the 10K runs. On Sunday, you will have 1 water station opportunity along the 5K Trail Run course and 3 water station opportunities along the Half Marathon course. You will have access to water, Gatorade and gels.

BATHROOM FACILITIES: We've ordered Porta-potties for the start/finish/transition area and you will pass a porta potty about mile 1.5 for the Sprint Run course and Mile 1.5 and Mile 4.5 for the Olympic run course.

THE RULES OF THE RACE – Hagg Lake is a USAT Sanctioned event and follows all USAT Competitive Rules. These rules are intended to provide an organized and fair competitive environment for all athletes. It is your responsibility to understand and adhere to these rules so we suggest you review all [USAT Rules here](#). At the very least, review this list of the [most common USAT Rule violations](#) so you will fully understand and avoid these common infractions which include drafting and blocking on the bike, lack of helmet, not fastening a chin strap, lack of handlebar end caps, music/ipod headsets on the bike and unsportsmanlike conduct. Music is allowed during the **runs only - with only 1 ear bud in and 1 ear bud out** so you can hear instructions (there will be lots of course marshals who will need to communicate with you) and for the safety of all. **ABSOLUTELY NO MUSIC/IPODS** during the Bike course – grounds for automatic disqualification. This is for everyone's safety. We also request that if you chose to use a personal music device during the run that you keep the volume to a minimum to assure all instructions can be heard.

RELAY TEAMS: Teams are a great way to bond with friends, family & co-workers in a fun and active way! After having your body marked, please place your gear and bike at the designated RELAY area in transition. There will be one Timing Chip per team. The swimmer will wear the designated Swim cap for Relay Teams (not their age group), the Biker will place the Bike Stickers on their bike and helmet and Runner will wear the Running Bib. After body marking, please place your gear and bikes at the designated "Relay" area in the Transition. During competition, you must remove your ankle strap and timing chip and pass it off to your next relay team member like a baton at the designated Relay location upon finishing your segment of the event. The swimmer will complete their swim and then will tag the cyclist in the relay zone who will then un-rack their bike and

walk/run through transition to mount their bike. Once they return from their ride, they will rack their back and then tag the runner who can then take off for their running segment. We encourage all Relay Members to meet their runner at the finish line and run across together to collect your finishers' medal as a team.

BIKE TROUBLE: TriSports will be available at the transition area to assist you with any bike issues. If you have a mechanical failure and are unable to fix it along the course, flag down a volunteer, motorcycle team or event crew so they can help you get back to the finish line.

WET SUITS are acceptable but not required. It's a matter of preference. Lake temperature is estimated to be in the mid-70s. We will announce a current reading race morning.

SAFETY BOATS - Boats & kayaks will be positioned around the swim course for your safety. If you need help during your swim, simply move towards the inside of the course, raise your arm, and yell. It is ok to take a break and hold onto the side of a kayak or paddleboard. If you choose to be pulled into the boat, you will be transported to the shore and given a DNF status.

T-SHIRT & SWAP - We hope you like your commemorative 36th Annual Hagg Lake finisher's shirt. Wear it proudly as a reminder of your accomplishment - Hagg isn't easy and this shirt is like a badge of honor! If the size of the shirt you ordered does not fit, we will be hosting a 'Shirt Swap' at the end of the event. We cannot guarantee there will be a particular size available, since it will depend on left over shirts, but we will do our best to accommodate your request.

CHANGE OF CLOTHES: Please be sure to bring a change of clothes so you can get out of your racing gear and enjoy the post-event festivities. It will make all the fun activities so much better if you aren't sitting around in cold, wet clothes.

RESULTS – Racewire will be timing the Hagg Lake event and they will have kiosks available right at the finish line where you can view and take a photo of your results immediately. If there is any error that you notice, please alert the Racewire Timing van immediately – sometimes people go out of their wave, don't complete all loops and or change races and don't let us know which negatively affects results. If we can be alerted to these errors prior to the Awards Ceremony it helps a ton! Racewire also

provides a real-time Live Results for athletes & spectators (as long as coverage is cooperating). The links are as follows.

Android <https://play.google.com/store/apps/details?id=com.runsignup.results>
Apple <https://itunes.apple.com/us/app/runsignup-results/id1070638979?mt=8>

After the event, Racewire will provide a Finisher's certificate for all athletes to review and print as a wonderful reminder of your accomplishment. Results will be posted online post-event at <http://whyracingevents.com/event/990/#past-events-results-photos>

MEDICAL & FIRST AID – Western States University will be overseeing our Non-Emergency Medical needs and will be located at the finish line. We will also have an Ambulance onsite for any Emergency Medical needs. If you are having any type of medical issue, immediately seek out a race official or volunteer who will get help. If you discontinue the race for whatever reason, please notify a race official on the course or at the finish line and return your Timing Chip to the finish line.

LOST AND FOUND: Any equipment that is found and unmarked will be taken to Lost and Found at the stage. Please come to the event with all personal belongings marked with your name and/or phone number. Post-event all items will be brought back to Why Racing headquarters and you can email info@whyracingevents.com or call 360.574.7292 to confirm if found and if you would like your items shipped or picked up in Vancouver WA.

AWARDS/PRIZES - We will award the Top Three Overall Men and Women and Top Masters Female and Male for both the Triathlon and Duathlon & 5K/Half Trail Run divisions and the Top Male & Female for the AquaBike division. In addition, we will acknowledge the top 1st, 2nd or 3rd Age Group or Division winners. Note – we practice no double-dipping on awards. You will all receive a fabulous finisher's medal because you are all winners!

POST-RACE FESTIVITIES - Festivities include DJ and music, Pre-race meal catered by Old Spaghetti Factory, Deschutes Brewery Beer. Awards ceremony, vendors, & great post-race stories with awesome athletes like you! #WILLSWIMFORBEER #WILLRUNFORDESCHUTESBREWERY #WILLBIKEFORBEER #TRANSITION3

FREE PHOTOS FOR ALL ATHLETES THANKS TO IQ CREDIT UNION – Photographers will be on the course capturing action shots. Be sure your race

number is visible on your front at all times during the run and on your helmet during rides, so the photographer can match you with your photos. You will be emailed a link post-race so you can download and share all your photos. Remember to smile big – the backdrops are awesome and these photos will probably become your new Facebook profile shot!

CONTEST: Why Racing has partnered with Bend & Central Oregon to offer our athletes the chance to win an incredible, active Dream Vacation adventure including:

- 3 nights at Riverhouse on the Deschutes River
- Adventure for 2 with Wanderlust Tours
- \$200 in gift certificates to Bend's Breweries.

In order to be entered to win, post photos at any Why Racing event using the hashtag #WHYBend, #WHYracing and #ThanksIQ. We will announce the winner at our end of race season party in the fall. There is no limit to how many times you can post photos! Just make them fun and active!”

SPECTATORS – Remember to have your spectators purchase a Hagg Lake Parking Pass online or at Boat Ramp C - PPU/Registration tent (do not get pass at park gate). We welcome and encourage spectators and even allow them to run across the finish line with you. Please advise friends and family that, for the safety of the participants' equipment, spectators are not allowed in the Transition area. No exceptions. We encourage spectators to stay in the flagged area and to not go up to the road at the top of Boat Ramp C, for safety reasons. Please also inform your spectators that they should NOT drive the Bike course to minimize any safety concerns for the cyclists. The best location for spectators is right around the finish line where they can watch you swim, bike out and in and run out and finish. Tons of action!

WHY RACING EVENT SERIES - We created an annual Why Racing Event series in order to acknowledge both speed AND the ability to endure within the sports of Triathlon & Duathlon locally. Winning one race or your age group is extremely impressive but can you sustain that type of performance throughout the entire season? Matt LeGrand, a local computer programmer and triathlete has created a program that is based on a point system which is easy to understand and functions to acknowledge both overall and age group competition. Matt will strive to have the race series points posted to our website within a week after each race. Current Award Series points can be found for Triathlon or Duathlon standings for Spring Classic, Blue Lake & Pacific Crest via the link below: <http://whyracingevents.com/triathlon-duathlon-awards-series/>

FACEBOOK: Can we be friends?! Please like our [Why Racing Events Facebook page](#) for upcoming event info, training tips and inspiration. Please share your post-event stories and photos on our page! We love hearing about your WHYs! Please also join the [HAGG LAKE Facebook event page](#) where we will post any last minute event updates.

BENEFICIARIES: Why Racing Events Inc. is proud to support High School Sports programs and various local non-profits. Contributions to local causes and non-profits have exceeded \$3,000,000 from all of our events. Some of the sports programs we support rely completely on our donations for their yearly funding. We want to thank all of you for participating in this event and enabling us the opportunity to extend this support to high school athletes and other worthy organizations.

VOLUNTEERS - We still need a few good volunteers. If you have family members or friends who are coming to support you, ask them if they'd like to volunteer and get front row seats to all the action. Have them email jaquie@whyracingevents.com if they are willing to help out, or they may check in at the volunteer checkin onsite race morning to see where

extra help might be needed. They can even earn race credits for you! You could also race one day and volunteer the next and help out your fellow athletes. And remember, there's no way we could put on this event without the help and support of our volunteer team, so please be extra-nice to our course marshals, aid station helpers, and anyone helping out. Thank them as often as possible because we want them to all come back next year! 😊

REMEMBER YOUR WHY - You are all racing for different reasons. Some of you are super competitive and are racing to win overall or in your age group or division. Some of you will just be ecstatic to cross the finish. Some of you are racing to reach for your personal best or to get into great shape. Some of you race to be able to eat whatever you want. Some of you do it for energy, to help you look and feel better, some do it for fun or to meet new people. Some of you do it so you can have a beer or a glass of wine. Regardless of your WHY, let us congratulate you on pushing your limits and by doing so remember that you will inspire so many others! One of the best things you can do immediately to help support running, multi-sport and your fellow athletes of all ages, fitness levels, shapes, sizes and abilities, is to offer lots of support and praise to each other on race day. As you pass someone, tell them how great they're doing! And as you're getting passed, tell them how strong they look. Cheer each other on, it makes the time pass by quickly and empowers you and everyone else on the course!
